#### STATEMENT OF PROBABLE CAUSE

Affiant has prepared this Statement based upon his personal observations/knowledge, the reports of Grants Police Department officers Maurice Martinez and Daniel Martinez, Grants Fire Department Sgt. Mike Maes, the statements of Ms. Alexandra Villa, official Probation and Parole records from the State of Texas, and admissions against interest made by the Defendant, Michael A. Valencia.

On Saturday, June, 3, 2017, Officer Maurice Martinez of the Grants Police Department was on duty, in full uniform, and driving a marked police vehicle. At approximately 10:37 am, he was dispatched to 1104 Del Norte Blvd. in Grants, Cibola County, New Mexico, in reference to a requested welfare check call by Ms. Alexandra Villa concerning her neighbor Michael Hahn of the aforesaid address. Ms. Villa was concerned about the welfare of Mr. Hahn due to the presence in his home of the Defendant Michael A. Valencia. She was concerned due to recent statements made by Valencia and actions of his which she observed. She had been unable to contact Mr. Hahn since early that morning.

Ms. Villa went to 1104 Del Norte Blvd. and encountered the Defendant, Michael A. Valencia who said to her, after she entered the residence, "don't look that way, you're not going to like what you see". Ms. Villa observed Mr. Hahn lying on the kitchen floor partially covered with a blanket. He was not moving. There was blood on the blanket and floor. The home was in serious disarray. She ran to a neighbor's house and called 911.

Officer Maurice Martinez came on scene at approximately 10:42 am. Ms Villa has hysterical and waved him down. She directed him to the Michael Hahn residence. Officer Maurice Martinez knocked on the front door and heard a male subject (later identified as the Defendant Michael A. Valencia) say, "Who the fuck is it? Go away! I have a fucking gun". Officer Maurice Martinez yelled Grants Police Department and drew his service weapon. He knocked again and demanded entry. The Defendant repeated he had a gun and told Officer Maurice Martinez to go away. Officer Maurice Martinez pounded on the door and it suddenly flung open. He saw the Defendant holding a rifle butt down on the floor by the neck of its barrel. Officer Maurice Martinez yelled at Defendant to drop the gun. He refused and began pacing back and forth. Officer Maurice Martinez then saw the body of decedent Michael Hahn lying on the kitchen floor not moving.

Defendant then yelled at Officer Maurice Martinez words to this effect, Yeah, I killed the motherfucker. I'll go back to prison for murder. He was a child molester. He deserved to die. Michael Hahn had no known criminal record for child molesting or sexual offenses.

116

Officer Daniel Martinez of the Grants Police Department arrived on scene to assist Officer Maurice Martinez. Officer Daniel Martinez drew his Taser and the Defendant dropped the rifle on the floor. Defendant refused to obey numerous verbal commands. Officer Maurice Martinez entered the kitchen and observed Michael Hahn lying on his back with his feet pointing upward wrapped in a blood soaked blanket. Officer Maurice Martinez saw bloody drag marks indicating an attempt to move Michael Hahn's body out of the residence. Michael Hahn was unresponsive and not breathing. His body had significant amounts of blood on his hands, arms, face and chest.

Officer Maurice Martinez went back into the living room and drew his Taser. Defendant refused to comply with any instructions and both officers deployed their Tasers. Defendant was tased multiple times and still physically resisted the officers. He broke free from the grasp of Officer Maurice Martinez. He threw a book case at Officer Maurice Martinez which struck him in the lower leg. Eventually the Defendant was subdued and handcuffed.

Officer Maurice Martinez observed significant apparent blood stains on the clothing and shoes of Defendant. There was fresh blood on the living room carpet. Michael Hahn's body had what appeared to be several puncture wounds inflicted by a knife or other sharp object. Stab wounds were seen on the neck, head, chest, shoulder, and arms of Michael Hahn. Michael Hahn was deceased at the scene. Grants Fire Department Sgt. EMT Mike Maes concluded that no emergency aid was able to be rendered. It appeared Michael Hahn had died of massive blood loss. There were no other persons present in the residence when Officer Maurice Martinez arrived, except for the Defendant Michael A. Valencia and the body of Michael Hahn.

Pursuant to a Search Warrant for the residence, multiple knives and other sharp objects were recovered by the New Mexico State Police Crime Scene Unit. Several of those items appeared to have blood on them. The rifle located at the scene was also taken into evidence.

A check of criminal records revealed that the Defendant Michael A. Valencia has a felony conviction for Aggravated Assault from the State of Texas dating from 2008. It appears the Defendant is still on Probation or Parole from the State of Texas until August 2021.

While being processed for booking, a wallet with a chain attached to the Defendant's pants was recovered and examined. Said wallet was covered with blood. Inside the wallet belonging to Michael Hahn was the Driver's License of Michael Hahn. Defendant made an unsolicited remark to Officer Maurice Martinez while being processed that Michael Hahn owed him \$500,000 and he had to get it back.

At approximately 10:42am, I arrived on Del Norte. I was waved down by Ms. Villa who was hysterical and crying, pointing to a mobile home down the street. I asked Ms. Villa if she was the person who called and she nodded her head yes. The female stated "it's the house with the white car outside."

I parked my police vehicle and confirmed the residence was 1104 Del Norte. I exited and went to the front door. I knocked and a male subject on the other side responded "who the fuck is it?" I yelled out "Grants Police Department" and the male subject said "Go away! I have a fucking gun." I stepped back from the front door and drew my firearm from its holster. I knocked on the door again and demanded he open it or I was going to kick it open. The male subject again told me that he had a gun and to go away.

I began pounding on the door and suddenly, it flung open revealing a male subject standing inside holding a hunting rifle. The male subject was Hispanic and approximately 6'3 tall. The butt of the rifle was resting on the floor and the male subject was holding the neck of the barrel. I pointed my handgun at the male subject and began yelling at him to drop the gun. The male subject was pacing back and forth and refused to comply with my orders. At this time I could see someone lying on the kitchen floor. The male subject yelled out loud "Yeah I killed that motherfucker. I'll go back to prison for murder. He was a child molester, he deserves to die." I am unable to recall these statements verbatim, but the male subject did say something to that effect.

Officer Daniel Martinez (GPD) arrived on scene to assist. I instructed Officer Martinez to draw his Taser on the male subject and the male subject threw the rifle to the floor. The male subject retreated further inside the home so we followed him in. Officer Martinez continued to give the male subject verbal commands while I went toward the kitchen to check on Mr. Hahn.

I went to the kitchen and saw Mr. Hahn lying on his back with his feet pointing upwards. Mr. Hahn was wrapped in a blanket with the blanket covering his face. Where Mr. Hahn's face would be, I could see blood soaked through the blanket. There was bloody drag marks on the kitchen floor and it appeared as if Mr. Hahn was being dragged out of the home. I saw blood on Mr. Hahn's hands, arms, and the front of his shirt. Mr. Hahn was unresponsive and it was apparent that he was not breathing.

I went back into the living room with my Taser drawn and began yelling at the male subject to turn around. He refused to comply so I deployed my Taser on him striking him on the front of his body. The male subject sprung up and refused to turn around after the Taser cycle ended. I grabbed his arm and attempted to turn him around but he pulled away from my grasp. The male subject went toward another part of the living room and turned to face Officer Martinez and me.

I reloaded another Taser cartridge and the male subject picked up a book case and threw it at me striking me on my right leg. I tried advancing toward the male subject but tripped over the book case. At this time a black Pitbull, which was inside the home, approached and tried to bite me. I fell to the floor and then fired my Taser again at the male subject. The loud pop from the Taser being deployed scared the Pitbull and it ran off toward a back bedroom. The Taser went through another 5 second cycle but had little effect on the male subject.

I withdrew my baton and began striking the male subject on his left leg. Officer Martinez deployed his Taser on the male subject and the male subject fell to the floor. Officer Martinez was able to get one of the male subject's hands cuffed and the male subject refused to place the other one behind his back. I picked up Officer Martinez's Taser which fell to the floor and delivered a 3 point Tase to the male subject. The male subject still refused to comply so I activated another cycle and the male subject placed his other hand behind his back.

The male subject was stood up and searched for weapons. During this time, I saw bright red blood on the carpet and on the male subject's boots he was wearing. The male subject was escorted outside and placed into Officer Martinez's police vehicle.

Officer Martinez and I went back into the home to conduct a secondary search. Once inside, Officer Martinez went right, toward the living room and confirmed there was nobody else inside. I went left toward the kitchen and lifted back the blanket which was covering Mr. Hahn's face. Once I removed the blanket I confirmed that it was in fact Michael Hahn who I recognized from previous encounters. Mr. Hahn's entire face was covered in blood, he was not moving nor was he breathing. I had to step over Mr. Hahn's body and went further inside the residence. I confirmed there was nobody in the other two bedrooms and the bathroom as well. The Pitbull from earlier was inside one of the bedrooms so I shut the door trapping the dog inside.

Officer Martinez and I exited the home and went back outside. By now, Grants Fire Department (GFD) Sergeant Mike Maes arrived on scene. I asked if he could go inside to confirm Mr. Hahn was deceased and Sergeant Maes agreed. I escorted Sergeant Maes inside the home and led him to Mr. Hahn's body. I observed Sergeant Maes pull back the blanket and check for a pulse. Sergeant Maes advised he did not feel a pulse. I escorted Sergeant Maes back outside the home.

During this time, Deputy James McCowen from the Cibola County Sheriff's Office arrived and had set up crime scene tape around the front of the home. Deputy McCowen started and was keeping record of the crime scene log.

A few minutes later, Sergeant Moses Marquez of GPD arrived on scene. I briefed Sgt. Marquez of

the situation and he requested we have medical personnel check on the male subject we had detained. The male subject was taken out of Officer Martinez's police vehicle and we conducted a Search Incident to Arrest (SIA) of his person. The male subject now identified himself as Michael Anthony Valencia. While conducting the SIA, I located a wallet with a chain attached to it. I do not recall which pants pocket I found it in but the other end of the chain was attached to one of the belt loops on Mr. Valencia's pants. I removed the wallet from Mr. Valencia's pocket and it was covered in blood. I opened the wallet and saw Mr. Hahn's driver's license inside.

Personnel from Grants Fire Rescue and Mt. Taylor Ambulance began asking Mr. Valencia their questions. I began taking photos of Mr. Valencia on my department issued camera. I took photos of the blood that was on Mr. Valencia's jeans, shirt and boots. Mr. Valencia refused any type of medical treatment and was placed back into Officer Martinez's police vehicle. Officer Martinez then transported Mr. Valencia to GPD for booking.

I remained on scene and briefed Lieutenant John Castaneda and Corporal Corey White who later arrived to assist. I remained at the scene for another hour and left back to GPD to complete the booking paperwork.

While at GPD, I assisted Corporal White in collecting Mr. Valencia's clothes and placing them into brown paper bags for evidence. While Mr. Valencia was changing, he kept remarking that Mr. Hahn owed him 500 thousand dollars and that he had to get it back.

Once all booking paperwork was completed, Mr. Valencia was transported to the Cibola County Detention Center by Officers Erik Galindo and Martinez.
